

Paton School Suggested Class Supply List 2006-2007

Dear Parents,

Each year parents ask, “What supplies will my child need to start the school year?” Again, Paton is publishing a standard, suggested supply list. It consists of core items and wish list items. The core items are materials that your child will use day to day. The wish list items are materials from which the entire class will benefit. We appreciate any help that you can offer us. Have a wonderful and safe summer.
